Model: MLCE10ZEMW

Water Wave Wash Action - Water and Detergent is gently spun and pulled through clothing for a more gentle, thorough cleaning. The dynamic wash action ensures that all clothes are completely immersed in water. **Tub fill** - A strong stream of water and rotating drum efficiently saturates all laundry before the wash program begins. **Tub with Lifetime Warranty** - A seamless tub designed to create a unique water action that gently immerses clothes for better cleaning performance. The lifetime warranty guarantees the recyclable tub for the life of the washer. **Balanced Dry System** forces large amounts of air through the back of the dryer drum. This system of air distribution results in an evenly dried load of clothes. **Extra Large Capacity** 10.1 Kg washer and dryer. **Out of Balance Protection** system allows you to wash and dry more of your family laundry at one time, saving time and energy.
